

REMARKS/ARGUMENTS

Claim 26 has been amended to correct a clerical error. Claims 31-38 are newly added. Applicants respectfully request that this Amendment be entered, the application be reexamined and reconsidered, and the claims found allowable.

This Amendment corrects a clerical error in claim 26, which has been changed to properly depend from claim 25 instead of claim 1.

Claims 25-30 were rejected under the judicially created doctrine of obvious-type double patenting in view of claims 1-24 of US Patent No. 6,729,019. Applicants file herewith a Terminal Disclaimer, which should overcome this rejection.

In view of the foregoing, Applicants submit the application is in condition for allowance. If the Examiner believes that a discussion with Applicants' attorney would be helpful, the Examiner is invited to contact the undersigned at (801) 323-5934.

Respectfully submitted,

Date: August 17, 2006
